PROTEST AGAINST NEW WATER RATE VOICED BY PEOPLE OF THE TWIN CITIES

Representatives Told to Make
Fight Before Public Service
Commission.

ADOPT RESOLUTIONS AT BIG MASS MEETING

Decatur City Council Hears the
Complaints of Many
Citizens.

Vociferous protest was made by citizens of Albany and Decatur at two meetings last night against the proposed increased scale of water charges asked by the Alabama Water Company in a petition filed with the Alabama Public Service Commission and set for hearing on December 6.

While citizens numbering 350, according to estimates, met in the Albany city hall and adopted strong resolutions against the increase in water rates, the Decatur city council met in regular session at the Decatur city hall and heard a number of citizens voice their protest against the raise.

City Attorney Callahan of Decatur and City Attorney Tidwell of Albany will attend the hearings in Montgomery Monday and both were authorized to conduct an active fight against the new charges when the commission calls the petition for hearing.

Enthusiastic Meeting

The mass meeting in Albany, which filled the auditorium of the municipal building, was declared to be one of the most enthusiastic held in recent years. Addresses were made by Mayor Payne, Attorney Tidwell, S. L. Cook and other prominent citizens, who were unanimous in their condemnation of the increase asked by the company.

The meeting was called to order by Mayor Payne, who was the unanimous selection for chairman. J. L. Christinger was elected secretary.

Resolutions adopted by the Morgan County Medical Society, protesting against the increase, and resolutions adopted by Oakworth Lodge, Brotherhood of Carmen, also protesting against the raise, were read to the meeting while resolutions "solemnly protesting against any advance" at this time were passed without a dissenting vote by the meeting.

Copies of all three of the resolutions were forwarded this morning by Secretary Christinger to Atticus Mullin, secretary of the Public Service Commission.

The representatives of the city were authorized to protest in person to the commission against what were characterized as unfair rates. The resolutions recited the financial periods through which this section has passed and declared the water company had served the people at the lower prices when the cost of living was higher, and charged that there was no reason why the rates should be raised at this time when prices of many other commodities are falling.

In addition to City Attorney Tidwell, Mayor Payne and several other citizens are considering going to Montgomery to appear before the commission.

Council Hears Complaints

At the same time the mass meeting was in progress in the Albany city hall the Decatur council, meeting in regular session, was hearing complaints by a number of prominent citizens asking approving the schedule of rates asked by the water company. The rates were declared to be unjust at this time and the city was authorized to fight the increase.

City Attorney Callahan, who has made an exhaustive study of the rate schedule, made an extended address to the council and citizens assembled, explaining in detail the rates and how they would apply to the consumers in Decatur and Albany.

Addresses also were delivered by G. D. Williamson, B. F. Holmes, Russell Mossley, W. H. Mitchell, Ben Martin, J. H. McMath and other well known residents.

City Attorney Callahan was instructed to appear before the commission to protest against the increase. Mayor Nelson and Alderman Thompson also considered going to Montgomery to attend the hearing before the service body.

CHRISTMAS HEALTH SEALS ARE SOLD IN LARGE QUANTITIES

Workers Meeting With Much Success, Dr. B. F. Austin Declares.

HEALTHY NEW YEAR

The sale of Christmas health seals, staged under the direction of the Federated Clubs for the Alabama Tuberculosis Association, is progressing very satisfactorily, it was announced today.

The workers are meeting with co-operation in all parts of the Twin Cities, reports tabulated show.

Added impetus was given the campaign by the endorsement of the seals by the Morgan County Medical Society in session here Thursday. The Kiwanis Club also went on record in

commending the seals and the sales campaign.

Trinity citizens tonight are giving a box supper for the benefit of the sales campaign. The ladies of the community donated the boxes and bidders will be rewarded with seals.

"The campaign is progressing very satisfactorily," declared Dr. B. F. Austin, county health officer, today. "The workers in all sections of the Twin Cities are putting forth their best efforts and are meeting with co-operation on the part of the public. The Trinity people deserve much credit for their box supper plan, which is expected to raise a handsome sum for the seals."

PLANS DISCUSSED FOR LENDING AID TO FARMERS OF NATION

(International News Service)
WASHINGTON, Dec. 3.—Secretary of the Treasury Houston and Governor Harding of the Federal Reserve Board were expected to appear today before the Senate and House agricultural committees, meeting in joint session to investigate the agricultural crisis confronting the country. It is the intention of the committees to continue hearings until Tuesday or Wednesday next.

By the middle of next week the committee members hope to be able to agree on a program of emergency legislation for presentation in the Senate and House.

Revival of the War Finance Corporation, suspended by Secretary Houston May 10, is favored by a number of senators from agricultural states. Houston is reported to be opposed to the corporation being revived.

Those who differ with Houston say the corporation would enable farmers to move their crops and avail themselves of the urgent need of European peoples for food.

prize is gratifying indeed, but of course we are not easily satisfied. We realize and appreciate the fact that in order to reach many new readers quickly we must have a good number of lieutenants in the field. We must have active workers so that the field can be covered thoroughly in the short time allotted the Automobile Campaign. We want YOU to join in the competition and make a winning race. Of course we will not be able to give every one who enters an automobile, but we have two good ones and there are prizes galore in the list. There is the \$2025 Buick touring car, the latest model five passenger. It is a dependable, beautiful automobile and will be a joy indeed to its recipient. This car is on exhibition at the Malone Coal, Grain and Motor Company. Call around and see it, have the new features and refinements pointed out to you. The trip will be well worth your while and you will wonder why you are neglectful of the opportunity to own it without a penny's cost.

The Ford Sedan

Here is a car that should warrant at least fifty persons competing, even though there was not another prize in the list. This is the masterpiece of the Ford factory and is one of the most popular models on the market today. Ask your neighbor what he thinks of the Ford sedan, especially at this season of the year. D'ANNUNZIO ASKED TO END RESISTANCE TO ITALIAN TROOPS

(International News Service)
MILAN, Italy, Dec. 3.—A parliamentary committee has gone from Rome to Fiume to attempt to persuade Gabrielle D'Annunzio to renounce his declaration of war against Italy. This committee was empowered to enter into peace negotiations with D'Annunzio in an effort to induce him to cease resistance against the government troops and the fleet that is blockading Fiume.

Warlike preparations have continued at Fiume for 48 hours. D'Annunzio's declaration of war against Italy, unless the Italian government backs down, was to be effective today.

FARMERS UNION TO HOLD CONVENTION

SESSIONS WILL BE HELD IN AUSTINVILLE ON DECEMBER 15-16

The Farmers Union of Morgan county will hold its fourth quarterly convention December 15-16 in Austinville, according to the following announcement by President C. M. Dinsmore and Secretary A. C. Denton:

"Our fourth quarterly convention will be held at Austinville on December 15 and 16. Each local please have a full delegation if possible and would be glad to have every member of the local.

"This is the first meeting of the kind held in Austinville, and it is expected to be very successful, as there are some good speakers to be on hand and at this meeting county officials for next year are to be elected. There is also other important business. Be sure to be present."

MORGAN COUNTY'S FARMERS TO MEET SATURDAY TO FORM A 'TRUCKERS ASSO.'

Official Call for Conference Issued by County Agent Johnston.

SOIL OF COUNTY WELL ADAPTED MANY CROPS

Diversification is Suggested in Statement of the County Agent.

Morgan county farmers will meet at 1 o'clock Saturday in the Hartselle city hall, pursuant to a call of County Agent Walter G. Johnston, when plans will be discussed for the formation of a Morgan County Truckers Association.

The low-price of cotton, it is said, has convinced many farmers of this county that their only hope of financial salvation is diversification of their crops. Inasmuch as Morgan county soil has been found very adaptable to the growing of strawberries, potatoes and other vegetables, plans will be outlined at the meeting Saturday for the growing and marketing of these products.

The official call for the meeting follows:

Mr. Farmer: You are respectfully requested to attend a special meeting of importance to you at the city hall in Hartselle, Saturday, December 4, at 1 p. m.

The purpose of this meeting is to organize a Morgan County Truckers Association. Such crops as strawberries, potatoes, vegetables, etc., will be discussed and plans will be started whereby we can market our products in car lots.

If you are interested in fighting the Mexican Boll Weevil, I would suggest that you try diversifying your crop during the year 1921.

Come prepared to talk business and tell your friends to come.

Respectfully,
WALTER G. JOHNSTON,
County Agent.

BABY IS BORN WITH HEART ON OUTSIDE BODY

Physicians of several cities have been invited to consult with Limestone county medical experts on the course to pursue, following the birth, near Athens, of a baby whose heart is on the outside of the body.

The infant was born to Mr. and Mrs. Noah McCurry, of O'Neal, five miles from Athens, according to information received here. The heart and part of the circulatory system is said to be entirely out of the body, the heart resting just above the breast bone in the depression of the neck. At last reports the infant was still alive and apparently was a very healthy specimen with the exception of the unusual location of the heart.

The large arteries leading from the organ are said to be fairly well covered with skin where they enter the body. The physicians are undecided whether to operate or not.

L. J. Pico, local moving picture man, planned to go to Athens to get a picture of the baby for a well known moving picture company.

MEMBERS OF ASSEMBLY OPPOSED TO ELIMINATION PART OF COVENANT

(International News Service)
GENEVA, Dec. 3.—Canadian delegates to the League of Nations meeting, who have canvassed the assembly on the advisability of eliminating Article Ten entirely from the covenant, announced today that there is a large majority against this action, despite the effect it might have on bringing the United States into the league.

For the past 24 hours discussions have centered upon the real meaning of Article Ten. A sub-committee report holds that Article Ten was designed to prevent territorial aggression and does not guarantee the territorial integrity of the member states.

The institute will be conducted by Rev. S. P. Pryor, state Sunday school expert, each evening at 7 o'clock. All interested in better Sunday school work have been invited, but the officers and teachers of the three Presbyterian schools were urged to avail themselves of this opportunity.

Misses His Wife, Shoots Himself

(International News Service)
MOBILE, Dec. 3.—After failing in an effort to induce his wife to return to him and then failing in an attempt to shoot and kill both his wife and mother-in-law, A. J. Baber, employed at the shipbuilding plant here, fired a pistol bullet into his head on the porch of his wife's home this morning. He died before medical assistance could reach him.

The wife and mother-in-law escaped only by climbing out of a window of the home into the yard next door, taking this course as the only means of escaping from the husband, who stood in the yard of the home and fired thru windows of a room his wife and mother occupied. Baber was 65 years of age and his wife 20.

Pork Prices Take Another Tumble

CHICAGO, Dec. 3.—Packers' prices on pork have dropped below the pre-war level of April 1, 1917, according to a review of the meat and live stock situation issued today by the Institute of American Meat Packers. Beef prices also have declined, the report says.

THREE QUARTERS OF MILLION LOOT BANDITS SECURE

(International News Service)
MINNEAPOLIS, Minn., Dec. 3.—Three bandits held up and robbed the mail car of the C. M. & St. P. railroad today. They escaped with cash and bonds reported to the amount of \$750,000. The bandits boarded the train at Hopkins, Minn., about ten miles outside of Minneapolis, and after binding and gagging the mail clerk, left the train inside the Minneapolis city limits.

One of the mail clerks, who had worked partially free of his bonds, saw the three men leave the train to join a fourth confederate who was waiting in an automobile. In the express car, next to the mail car, was a pouch containing \$500,000 in currency. The bandits, however, did not make an attempt to enter the express car. Police and federal officials are baffled by the case.

Because of the treatment of many charity cases the hospital's financial condition has become such that relief has been found necessary.

Committees Are Named to Conduct Drive for Members

Three committees were named at the meeting of the American Legion last night to conduct a two weeks' drive for members in the Twin Cities. The committees were apportioned territory as follows: Decatur, Central Albany, and Louisville and Nashville shops, but it was made clear that committees would be expected to solicit memberships in any section of the city.

The post plans to lease a home here within the next few days and as soon as the building can be occupied a Legion club room will be opened, it was stated last night.

FURTHER CHARGES MADE BY ALLEN

ATTEMPT MADE TO PREVENT GOVERNOR'S CHOICE FOR MILITIA CHIEF

(International News Service)
HARRISBURG, Pa., Dec. 3.—Charges that an "inner circle" in the militia bureau of the United States war department was trying to prevent the appointment of the choice of a majority of the governors of the states of a chief of the bureau were made by Governor Henry J. Allen of Kansas at the closing conference of governors here today.

Governor Allen stated that 24 governors had recommended a candidate from Kansas, whom it was later made known was Brigadier General Charles I. Martin, adjutant general of Kansas. He said the militia bill provides that the appointment shall be made on the basis of the recommendation of a majority of the governors, but only 12 of the recommendations for the Kansas candidate had reached the head of the department.

He said letters were being sent out to the governors from the militia bureau asking whether there was not an expression of a second choice in an effort of the "inner clique" to control the situation.

Ten Mine Workers Rescued from Death

(International News Service)
WILKESBARRE, Pa., Dec. 3.—Ten mine workers, caught behind a fall in the gangway of the George F. Lee mine, were rescued today after nine hours' imprisonment. IS THE THEATRE IMPROVING?

A recent editorial in The Nashville Tennessean regarding the merits of "Clarence," one of Booth Tarkington's late plays, is calculated to raise again the age-old question—are our theatres improving?

A comprehensive answer to the question may not be found in a word. A more truthful answer would be "yes," with reservations. In many respects the theatre but reflects our own national life. As we have progressed as a nation—so has the theatre improved. But no one can deny that there are other features of our national existence which, speaking mildly, provide ample opportunity for improvement. So it is with the theatre, as an institution.

Speaking of "Clarence," the Tennessean says: Every now and then a play is staged which may be described in just two words—clean comedy. Such a play is Booth Tarkington's "Clarence," now playing at the Orpheum Theater. You can just sit and laugh at "Clarence."

Time was when the theater was frowned upon by the average citizen. Actors and actresses were regarded as more or less a detriment to society by men and women of narrow vision.

Education has done much to remedy this condition. The theater now is accepted as part of our daily life. Entertainment is as necessary as our meals. The brain craves relaxation as the stomach craves food.

The goal for which Jefferson, Barrett and Booth strove has been attained. But in its very hour of attainment, the art of acting and speaking parts was almost lost to us through the mushroom-like growth of the motion picture.

We are all actors. We all play a part in business or at home. A play is good or bad as it portrays the average human being. We applaud those most who picture us in our natural roles. We may not admit it in public but we do like to see ourselves as others see us. It is the human appeal to which we respond most readily—to laugh, to cry, to resent.

There has been an increasing demand throughout the country for good plays since the close of the war. We ran at high tension for a few years. Now we have relaxed.

Plays have been sent out on the road with all-star casts in the past year as in few years before. The smaller cities of the country are being treated to Broadway productions acted by Broadway companies.

Nashville, one of the five-score cities of the nation which can boast a population in excess of one hundred thousand, has one legitimate playhouse. That this house has not received the united support of the community is beyond question. The blame may

be with Nashville or with the theater management or with both.

It is beyond dispute that Nashville can support a first-class theater. But to win that support the management must provide first-class attractions.

"Clarence" is a step in the right direction. Let us have more "Clarences" and Nashville will respond.

Ten years ago costumes we see upon the stage, without blinking an eye, would have caused consternation. On the other hand more than one of the late fashions in ladies' wearing apparel, seen upon the streets of any American city, a few years back, would have created as much excitement as a circus parade. As a nation, America has not progressed far in the matter of clothes, or lack of them, either in the theater or on the streets.

Theatrical producers are close students of their public's whims. What the public desires, the theatrical magnates will do their best to provide. The recent deluge of bedroom farces was in answer only to a public demand.

That they are being followed by cleaner plays is a reflection of the changing sentiment out of the theater, as well as in it.

"Maytime," a thoroughly clean entertainment, hung up a new attendance record in New York, only to have "Lightnin'" another performance, without shocking frills, surpass it.

Periodically entertainments flash across the theatrical horizon as big successes which appeal to the baser natures of man kind, but fortunately for both the public and the theater, these are becoming rare. In this, at least, the theater is improving.

The childhood of the Twin Cities eagerly counts the days and nights until the time Christmas Santa Claus comes down the chimney. Would that we could all be children again just for that night.

Just as well shop early for Christmas, as prices have about stopped falling.

The delegates of Great Britain were voted down in a test vote in the League of Nations now in session in Geneva. But we were told and believed it, that England would rule the league, soul and body.

A change of heart generally follows a change of mind.

The gobble of the Gobbler is no longer heard in the land.

Even if we have an open winter there will be some criticism of it.

The English King has ordered just as few fires as possible in the Royal Palaces. King Coal, really, issued the order.

This is a queer world indeed. They say you cannot find Scotch whiskey in Scotland, Welsh Rabbet in Wales, nor a Chinese laundry in China.

Harding must have bid a final fare-you-well to harmony, judging from his reported determination to put a woman in his official family.

Has any body heard any thing of the Mississippi grand jury report that declared in favor of trying William II, or some body, for murder and other revolting crimes.

If things keep on in Ireland like they have started, civil war will have gained a new definition.

CHAMBERS-DOBBS

A quiet wedding of affectionate interest to the many friends of the bride here was that last night of Miss Daisy Carl Dobbs and Mr. Algernon C. Chambers, which was solemnized at 8:30 o'clock at the First Christian church, Rev. J. H. Hill officiating. Only a few friends and relatives witnessed the ceremony.

The bride is the daughter of Mr. and Mrs. T. M. Dobbs of Albany and was a nurse in the Merriweather Hospital at Asheville, N. C. The groom is a prominent attorney of Asheville.

The happy couple returned to Asheville today to make their future home.

MRS. H. I. GILL CLUB HOSTESS

The Auction Bridge Club claimed Mrs. H. I. Gill hostess yesterday afternoon. Potted plants were used in the decorations of the living rooms, where the card tables were placed. Prizes for score, Italian silk hose and dainty linen handkerchiefs, were awarded to Mrs. E. N. Penick and Mrs. A. E. Humphrey. At the close of the afternoon tempting sandwiches and tea were served to the club members and ladies R. H. Wolcott, W. R. Smith, A. E. Humphrey, J. H. Donnell and Josephine Sheets.

PROGRESSIVE ROK

Mrs. C. P. McDaniel was hostess to the Progressive Rock Club at her apartment on Johnston street yesterday afternoon. Ferns and other potted plants were effectively arranged in the living rooms, where the rock tables were arranged. After three hours' delightfully employed in the game, Mrs. McDaniel, assisted by Mrs. J. B. Pickens, served a delicious plate uncheon. The club has been invited to meet with Mrs. J. D. Bush next week.

CHRISTMAS DANCE

Invitations are being sent out to a Christmas dance to be given by the young men of the Twin Cities in the Colonial building on December 23. Music will be furnished by Johnston's eight-piece orchestra of Memphis. Dancing from 10 to 4. One hundred and fifty out-of-town visitors are expected. The checking list is in charge of Jeff Eyster. Formal.

PERSONALS

J. B. Bryant, who recently sustained a paralytic stroke, is reported no better.

Lamar Penney is confined to his home of illness and is reported somewhat improved today.

C. J. Bodemer of Louisville, Ky., is here, the guest today of Mr. and Mrs. R. H. Wolcott. Mr. Bodemer was formerly master mechanic at the local L. & N. shops and is now assistant master mechanic at Louisville.

A. Z. Bailey after an illness of several days is improving.

The ancients slept on skins, first beds being merely piles of rushes, leather or straw.

MUSICAL PROGRAM

Instead of the regular services at the Central Baptist church on next Sunday evening, the choir, under the direction of Mrs. D. D. Gibson, will give an interesting musical program at 7:30 o'clock. The public is invited.

STARTLING TURN
IN SHEPARD CASE

WITNESS DECLARES WOMAN SAID MRS. ELMER MIXED POISON DOSE

(International News Service)
ABBEVILLE, Ga., Dec. 3.—Startling developments in the Fred Shepard poisoning case came today when J. J. Peters, a city employee, and former tenant on the plantation of Mrs. Annie E. Cutts, who will appear in the court proceedings against the four defendants as a star witness for the state, said Mrs. Cutts told him that Mrs. F. Eugene Elmer, widow of the millionaire peach grower, and Ernest Hopson, her son by a former marriage, mixed up a dose in her kitchen and gave it to Shepard just before he started to Perry to his death.

Peters' statement is known to be in the hands of Solicitor Garrett, who is directing the prosecution. The former tenant lived on the Cutts place seven years and was closely associated with Mrs. Cutts and persons who came to visit in her home.

TOM MIX IN NEW SENSATION

AT THE PRINCESS TODAY

The lure of the western plains, peopled by men and women whose daring thrills and inspires; such is the spirit that, according to those who have viewed the picture, surges through the Fox production, "Desert Love," scheduled for the Princess Theater today.

The story is etched against a background of Arizona's desert and wilderness, and the characters—like the hero and the villain—are such as know no compromise with man or nature. Fight is their Eldorado.

The lead is taken by Tom Mix, famous for his daredevil stunts on and off the screen. He enacts the role of a high-minded so nof the plains, known familiarly as "One-Quarter Apache," who is determined to wipe out a gang of rustlers who have been preying in the county for many years.

The girl whose charms captivate the heart and imagination of Tom Mix in "Desert Love" is played by Francelia Billington. The delightful Eva Novak fills an exacting role in the new play. Others in the cast are Lester Cuneo, Charles K. French and Jack Curtis. The direction is by Jacques Jaccard.

DRECO GETS OUR
SINCERE THANKS

Mother and Daughter Are Relieved of Stomach Trouble, Indigestion, Gastritis, Constipation and Dizzy Spells

"Both my daughter Kate and myself have been taking Dreco, the root and herb remedy, and we are very thankful for the benefits it gave us," declared Mrs. S. J. Byers, the highly esteemed lady of Route 4, Birmingham, Ala.

"Our troubles seemed to be just alike, for both of us were constipated and had to take pills or salts all the time to keep the bowels moving. If we would forget to take something every night, the next day we would be bound up and have headaches and dizzy spells. Our food lay heavy and gave us a lot of pain, and the gas would bloat our stomach terribly, and gave a very uncomfortable feeling. Dreco caused me much suffering, and it was an effort for me to bend over."

"Three bottles of Dreco have given positive relief to both of us, for we now eat anything we want and never have that gas nor pains in the stomach, nor dizzy spells. The headache has all gone and I have gained ten pounds. Dreco sure did the work for us all right."

Dreco does not contain any iron, potash, mercury or harmful minerals of any kind. Constipation quickly yields to the Dreco treatment, even when it has been of long standing. Sluggish livers become active and backaches and rheumatism soon disappear.

All druggists now sell Dreco and it is being especially introduced in Decatur by Hilda Drug Co.; in Albany by Albany Drug Co.—Adv.

OPENS WITH LOSS

WALL STREET BEST BUYER BUT FAILS TO ABSORB THE OFFERINGS

(International News Service)
NEW YORK, Dec. 3.—Heavy selling by Liverpool, the South and spot interests here caused a break of from 25 to 44 points at the opening of the cotton market today. Wall street was the best buyer on the decline, but this demand failed to absorb the offerings and at the end of the first 20 minutes the market was still unsettled.

Private cables said that Lancashire mills had gone on 15 per cent short time and reported a big break in Egyptian cotton.

amazing how fast these credit coupons count up. It is a good idea to begin immediately pledging your friends and acquaintances to save the credit coupons. In today's issue the coupon is worth fifty credits. One can readily appreciate the ease with which a good score can be secured, provided they have taken the precaution of pledging their friends to save the coupons. Among others, the campaign department received three nomination blanks yesterday which were accompanied by several credit coupons. It was very significant and showed that these persons were wide awake and were not overlooking a single opportunity to gain a good standing right at the beginning, and were already lining up for a "battle royal." Coupon clipping is the most profitable occupation one can engage in. While the credit coupons may not be quite so valuable as those clipped from gilded securities, they may be the stepping stones to clipping the other kind later on. Large endings generally have small beginnings, and who knows but that a few credit coupons clipped from the paper may decide just who will win the big ears when the campaigners cease their activities.

"Cut It Out"

and send it in. Also cut out the nomination coupon and send that in, too. After you have done this you will marvel at the feeling of satisfaction of having done your part by taking the first and most important step towards winning one of the big handsome automobiles.

Do it today.

REV. C. L. PRICE TO PREACH AT ST. JOHN'S SUNDAY

Rev. C. L. Price of Florence will exchange pulpits with the Rev. T. G. Mundy, rector of St. John's church, on Sunday morning. The service will be the celebration of the Holy Communion and sermon at 11 o'clock. The public is cordially invited to attend the service.

BETTER THAN WHISKEY FOR COLDS AND FLU

New Elixir, Called Aspironal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter if Relief Does Not Come Within Two Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspironal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspironal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspironal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—(Adv.)

SPENCER GARNETTS SAYS

I intended having an ad in today's paper, but have been too busy to write it. Yesterday, opening day of our Factory Sale of Ready-to-Wear Garments. We did a great business, more than we had anticipated.

But honestly, I want to say to the people of Albany and Decatur, we are giving some of the greatest values ever offered in North Alabama. There's a reason.

We have no shelf worn merchandise that we are offering at a price to unload, but brand new garments, and received after the recent big declines in the market, and we are selling them at correspondingly low prices.

Our ability to offer such wonderful values can only be attributed to our affiliations with big New York Manufacturers thru the Griffin Wearing Apparel Co.

We are showing, during this Sale, over 1500 Ready-to-Wear Garments.

Come look them over, whether you care to buy or not. It is a pleasure to show you.

Once in a While Your Blood Clogs and Your Vitality Runs Down

THEN TAKE PEPTO-MANGAN

You'll Pick Up Again Quickly With Plenty of Red Blood Corpuscles

Physicians nowadays take a blood test when you are run down. They count the red corpuscles in your blood. If there are too few they give you a tonic for your blood. It happens right along. They are always on the lookout for indications of weak blood.

Why? Because they know when your blood is weak your resistance to disease is low. Your vitality and energy quickly run down.

You can tell when your blood is weak. You look pale, feel tired. You are not ill, but you don't feel right. You don't want to do things. That is the time to take the well-known tonic, Pepto-Mangan.

Pepto-Mangan builds red blood corpuscles. Physicians have prescribed it for thirty years.

Pepto-Mangan is sold in liquid and tablet form. The medicinal value is exactly the same. Take either kind. But be sure you get the genuine Pepto-Mangan—"Gude's." The full name, "Gude's Pepto-Mangan," should be on the package.—Adv.

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears, go to your druggist and get 1 ounce of Parmit (double strength) and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.—Adv.

Tells How Ziron Iron Tonic Helped His Daughter After Operation for Appendicitis.

AFTER any serious illness, the first thing you notice when you begin to get around is your lack of strength and energy—a tired, weak feeling.

The sooner you get your strength back the better. The thing to do is to eat plenty of good, nourishing food, get all the fresh air you can, exercise conservatively, and take Ziron Iron Tonic three times a day.

Your doctor will tell you this is sound advice, and urge you to follow it.

Hartselle News

HARTSELLE, Dec. 3 (Special).—In the First Methodist church the event of the season took place on Tuesday evening, November 30, at 7 o'clock, when Miss Lucy Anne Stewart, daughter of Mr. and Mrs. James Franklin Stewart, became the bride of Fred Arthur Bennett, at Hartselle, Ala.

A beautiful program was rendered by Mrs. C. I. Lee, who accompanied Mrs. Cecil Parker of Birmingham, the vocalist, who sang "At Dayning" and "Love's Old Sweet Song." She also accompanied Mrs. B. W. Waldrop on the violin, then playing the wedding march and rendering sweet strains throughout the ceremony.

The little gate openers, Misses Hilda Roberts of Danville and Louise Echols, clad in white crepe de chine, advanced down opposite aisles under white arches, profusely decorated with pink and white roses and the usual green. They held the gates open for the bridal party, which was led by the ushers, Messrs. Gilman, Doss, Charlie Quinn of Albany, W. J. Sanford Jr. and Hanner Rountree.

Next came the bridesmaids in pink and white taffeta, carrying pink and white roses. Misses Elizabeth Stewart and Margaret Echols entered on one side while Misses Marguerite Echols and Cora Orr entered on the other.

Miss Gladys Stewart attended her sister as maid of honor. Her costume of jade tulle was beautifully becoming, as was her arm bouquet of pink roses.

Following was the ring-bearer, Cecil Parker, of Birmingham, who was a fairy-like little figure in pink crepe de chine and tulle carrying the ring in a large pink rose.

Just preceding the bride were the little flower girls, Misses Mary Houston and Carolyn Blake of Birmingham who scattered rose petals from dainty baskets tied with large tulle bows. Their frocks were of pink accordion plaited crepe de chine.

The bride entered on the arm of her father and was met at the improvised altar of palms and roses by the groom and his best man, Guine Puckett, the impressive ring ceremony being performed by Rev. Clare Purcell, assisted by Rev. Holmes.

The bride was beautiful in her gown fashioned of white satin and real lace, her veil being caught together with orange blossoms, and her bouquet was bride's roses and valley lilies.

After the ceremony the young couple left for an extended northern trip after which they will be at home in Hartselle.

Mrs. Bennett is one of the most popular young ladies of the city in social and church affairs. Mr. Bennett is a prominent young business man of Hartselle, and their friends are glad they will make their home there.

Mr. and Mrs. James Franklin Stewart entertained the members of the Bennett-Stewart wedding party at a large reception Monday evening, the 29th ultimo, following the rehearsal.

Those assisting the host and hostess in receiving were Mrs. W. H. Love-lady, Mr. and Mrs. W. T. Stewart, Mrs. Cecil Parker and Mrs. Victor Blake of Birmingham.

As the guests arrived they registered at a beautifully appointed table where the book was kept by Mrs. John Houston.

Funch was dispensed in the living room throughout the evening by Miss Elizabeth Stewart.

Much merriment was had when the cake was cut containing the usual articles. At a late hour a delightful buffet supper was served to about 40 guests.

Read this letter from Mr. J. B. Kelly, vice-president of the First National Bank, Graceville, Fla.: "My daughter had been in bad health since last April. She was operated on for appendicitis. She has been taking Ziron for two weeks. Her appetite is better than it has been. Her nerves are better, and she says she feels better. I know that Ziron is good for weak and feeble people."

Ziron is a scientific, reconstructive tonic, prepared from valuable strength-building ingredients, for weak people with thin blood. Druggists sell Ziron on a money-back guarantee. Try it.

Criticizes Use of Oil.

Dr. White of the United States geological survey has declared it "no less than an economic crime to use oil under boilers as fuel," because the supply of oil was so rapidly declining in the United States and elsewhere and because it would soon be "a very serious problem as to getting the necessary amount of lubricants—which is really the most important part of the rock oil business."

Symbolism of Animals.

In the symbolism of animals, the ant typifies frugality and provision; the bear, ill temper and uncouthness; the bull, straightforwardness; the bull dog, pertinacity; the butterfly, sportiveness and living in pleasure; the dove innocence and harmlessness; the fox, cunning, artifice; the goose, conceit and folly; the grasshopper, old age; the mule, obstinacy; the owl, wisdom; the peacock, pride; the swan, grace.
